

COMMUNICATION POLICY:

At drop-off and pick-up parent or teacher know how the day progressed for the child. Teachers use Remind and Procare a mobile-based application to communicate with parents through text messages about daily happenings and upcoming events. Parents will receive daily sheets for our Infant + Toddler students and weekly information sheets for our Preschool 3 and Pre-Kindergarten 4 students. Parents will receive weekly emails that include the TPA Times that outline the upcoming school-wide events. The school website and Facebook/Social Media pages also includes general information, current events & links for school closings, delayed openings and early dismissals.
