

## **Protective Factors Survey**

### **Purpose of Evaluation**

The Preparatory Academy is conducting an evaluation to make sure that our program is meeting the needs of families in our community. It is a way for us to see what we are doing well and if there are areas in which we can improve. We want to provide the best possible services to families and this is one way to keep us on track.

### **Your Participation**

Part of the evaluation involves asking program participants to complete a survey about how our services are affecting them and their families. You will be asked to spend approximately 10-15 minutes answering questions about you and your family. Your services will not be affected by your responses on the survey.

### **Confidentiality**

Your identity will be kept confidential. No identifying information will be shared with anyone outside of this program. Your name will not appear on the survey. Once you have completed the survey, the information will be transferred to a database where it will remain confidential.

Your privacy will be protected at all times. Your information will be combined with all other participants and will never be shared or identified individually. Your honest answers help us improve services for all families, including yours.

### **Questions?**

If you have any questions or concerns about this evaluation, please let us know.

Thank you so much for your participation in this evaluation. Your input will allow us to offer and improve services for all families.
